History of the University

Mount Vernon Nazarene University was founded by action of the General Assembly of the Church of the Nazarene in 1964 when the Assembly authorized the start of two new liberal arts colleges and a Bible college. The first Board of Trustees, organized in spring 1966, elected Stephen W. Nease as its first president in May 1966. In September 1966 the Trustees voted to locate the College in Mount Vernon, Ohio on the Lakeholm farm. The land was purchased with funds raised by public subscription in the Mount Vernon area and deeded to the Board of Trustees as the university site. A charter was received from the State of Ohio in December 1966. The first students, the Pioneer Class, arrived on campus October 12, 1968.

The first graduates received associate degrees in June 1970. Four succeeding two-year classes received associate degrees through May 1974. In 1972 the University was accredited as an associate degree conferring institution by the North Central Association of Colleges and Schools. Accreditation was extended in 1974 to include baccalaureate degree programs. In 1979, 1989, and 1999 the accreditation was reaffirmed. The first junior class enrolled in the academic year 1974 and the senior class was added in 1975. The first baccalaureate degree was awarded in May 1976. The graduate program began in 1991 with the first class of students in the Master of Ministry program. The first graduate students were graduated in May 1994.

The University began its degree completion program for adult learners in fall 1993. Its first graduates received the Bachelor of Business Administration degree in spring 1995. The program expanded to the Polaris campus in Columbus, OH in fall 1995 and to sites in Newark and Lima, OH in fall 2000 and to Gahanna, OH in 2003. The Mansfield/Shelby site was open in 2005, while the Grove City, OH and Marion, OH programs opened in fall 2006. The new Mansfield site was opened in summer 2007.

The Master of Science in Management program was initiated in 2003, and expanded to a Cincinnati site in early 2005. The Master of Business Administration degree program was approved by the Ohio Board of Regents and the Higher Learning Commission in 2006 and the first MBA degrees were awarded in December 2006.

The University received a Certificate of Authorization from the Ohio Board of Regents in 1969 and was elected to membership in the Ohio College Association in 1971. In 1975 the University received accreditation of the Teacher Education Program.

The Master of Arts in Education program received approval from the State of Ohio and the North Central Association of Colleges and Schools, and began in fall 1995. The first graduates completed the program in spring 1997.

Dr. John Allan Knight, the second president, served from August 1972 until June 1975. Dr. L. Guy Nees, the third president, served from June 1975 until November 1980. In November 1980, Dr. William J. Prince was elected as the fourth president; he served through July 1989. In July 1989, Dr. E. LeBron Fairbanks was elected as the fifth president. The transition to university status was completed in August 2002. Dr. Daniel J. Martin was elected as the University's sixth president in November 2006 and began his service in February 2007.

Denominational Relationship and Control

A coeducational university of the arts and sciences, Mount Vernon Nazarene University is the official university of the East Central Educational Region of the Church of the Nazarene. Primary responsibility for sponsorship and support of the University is charged to the Nazarene congregations in Ohio, West Virginia, and the eastern half of Kentucky, with control delegated to the Board of Trustees elected by the annual assemblies of the Central Ohio, East Kentucky, East Ohio, North Central Ohio, Northwestern Ohio, Southwestern Ohio, West Virginia North and West Virginia South districts. Many of the students come from this church constituency. However, the University is not narrowly sectarian; students of like ideals are welcome to the university community.

Mission Statement

Mount Vernon Nazarene University exists to shape lives through educating the whole person and cultivating Christ-likeness for lifelong learning and service.

Mission Context

Mount Vernon Nazarene University, established by the Church of the Nazarene, opened its doors in 1968 and serves the denomination's East Central Region. The University offers liberal arts, professional, and graduate education at its main campus in Mount Vernon, Ohio as well as at multiple regional campuses.

MVNU's educational philosophy and purpose are shaped by its Wesleyan-Arminian holiness theological roots, informed by the Bible, focused on Christ-likeness in every aspect of life, and defined by an emphasis on loving God with all of one's heart, mind, soul, and strength, as well as one's neighbor's as one's self. Students are nurtured and empowered through caring relationships with faculty, staff, and administrators; challenged to be a devoted disciple of Christ; drawn toward discovery of wisdom and truth in every discipline of study; prepared for leadership in various professions; equipped to be lifelong learners; and sent into the world to live out their faith by offering their hearts and lives in service to God and others.

The University is characterized by an engaging environment where diversity is celebrated and differences in ethnicity, denomination, gender, economic level, and stage of spiritual development are embraced. A spirit of worship unifies the academic, social, and spiritual life of the student body, and the community is shaped through shared commitments, values, and experiences that provide the context for transformation in Christ, individually and collectively. Excellence in vocational pursuits and in character development are viewed as an expression of faithful stewardship, and a lifestyle of compassion is demonstrated as the most effective witness to others of God's love. As students become graduates, the marks of Mount Vernon Nazarene University continue to identify them as devoted disciples, servant leaders, learning professionals, and loyal alumni.

This mission is fulfilled through campus experiences that personalize communication, living, and learning and is implemented through traditional and non-traditional programs leading to associate, baccalaureate, and graduate degrees.

Vision Statement

Mount Vernon Nazarene University: To Change the World with the Love of Christ.

The University's aspiration is that academic and student life activities be integrated in a Wesleyan evangelical tradition to facilitate character, value, and cultural development to improve the quality of life. The University seeks to enable students to model the attitude expressed in its motto *"To seek to learn is to seek to serve."* As students experience the educational process, the University strives to enable students to function as competent Christians, citizens, and professionals.

As an institution of the Church of the Nazarene, Mount Vernon Nazarene University stands in the Wesleyan evangelical tradition, as summarized in the "Articles of Faith" in the *Manual*, Church of the Nazarene. According to this **"Agreed Statement of Belief,"** we believe:

- In one God – the Father, Son, and Holy Spirit.
- That the Old and New Testament scriptures, given by plenary inspiration, contain all truth necessary to faith and Christian living.
- That man is born with a fallen nature and is, therefore, inclined to evil, and that continually.
- That the finally impenitent are hopelessly and eternally lost.
- That the atonement through Christ is for the whole human race; and that whosoever repents and believes

on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.

- That believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ.
- That the Holy Spirit bears witness to the new birth and also the entire sanctification of believers.
- That our Lord will return, the dead will be raised, and the final judgment will take place.

To these ends, the Mount Vernon Nazarene University curriculum follows a liberal arts pattern, which encompasses career preparation at the college level in selected professional and pre-professional areas of study.

The Mount Vernon Nazarene University experience is designed to provide a program that is sufficiently flexible to meet individual needs.

Institutional Philosophy Statement

Liberal arts education at Mount Vernon Nazarene University is a holistic approach to faith and learning where students are encouraged to think and act like the persons they were created to be, equipping them for a career and life of service to God and mankind in the 21st century. We assert that a lifestyle of study, which we define as the pursuit of goodness, truth and beauty, is a sacred calling. We believe that education should be concerned with developing a person's humanity as one created in God's image.

We affirm the Wesleyan evangelical worldview as the basis for understanding this humanity both in terms of what we are and what, by God's grace, we can and should be. We affirm our commitment to the education of the whole person – a body, mind, and spirit – through the growth of personhood that results from knowledge and skills dedicated to breadth of understanding and to depth of coverage in the disciplines. Our vision is to work redemptively to address the human predicament as evidenced, for example, in failed relationships, moral decay, loss of community, crisis in the church, degradation of imagination in popular media, stunting of creativity in the workplace, and destruction of the natural environment.

A Christian liberal arts education should prepare us to assume the rights and responsibilities of citizenship that apply to our native, global and Christian cultures. We are committed to the appreciation of enduring traditions and values as well as the exploration of the great human questions concerning the nature and meaning of humanity. Through exposure to cultural diversity, we should learn to appreciate others and their values without compromising our values and carry out evangelism without coercion. We believe that the university experience should refine

interpersonal skills crucial to relationships with self, others, and God so that we may be effective change-agents in our communities.

We believe that Christian liberal arts education should result in service to the world. In short, we believe that liberal arts education provides a sound foundation for Christian living and one's career as summarized in the University motto *"To seek to learn is to seek to serve."*

Goal of Liberal Arts Education

To equip students with requisite skills and essential knowledge to be effective change-agents, citizens and stewards in the global village of the 21st century.

In campus development the new is blended with the old, symbolic of the aims of education in which the wisdom of the past is confronted by the opportunities and challenges of the present. Similarly the University colors, blue and green, speak of the familiar sky and land, marks of security and beauty from the past, hope in the future.
