

Dear alumni,

You are such an important part of our community and I do not want you to miss Homecoming 2011, November 11-12. We have a fantastic weekend planned with plenty of activities for the whole family. So, mark your calendar today and plan to reunite with classmates, former professors, and other friends. Reminisce, share stories, and discover what is happening now in the life of our alma mater. This has been an exciting year of growth for the University and we remain challenged to live out our vision to Change the World with the Love of Christ. We appreciate your support for MVNU and want to do everything in our power to help you stay connected to this vibrant community. I look forward to seeing you this November!

Serving Christ,

Tom West ('90)

Director of Alumni Relations
