

# Nazarene Men's Ministries & Motorcycle Fellowship

---

By introduction, I am Wm Marshall Duke,  
Coordinator of Men's Ministries for the Church of  
the Nazarene and the denominational contact  
person for Nazarene Motorcycle Fellowship, the  
newest member of Nazarene Adult Ministries!

As Men's Coordinator, there are three goals that I  
pray that every Nazarene man will attain:

- *Each man will be a member of some type of small group, i.e., Sunday School class, etc.*
- *Each man will be a member of an accountability group with a few other men who can ask each other tough questions and help maintain accountability to God and to Family.*
- *Each man will, annually, participate in some sort of special men's experience, such as a local church men's retreat, a District retreat, or attend one of the large men's events that are being offered nationally by various men's ministry groups. In so doing, one's soul gets "recharged" and a special time of communicating with God can be experienced.*

With those goals, then, I view my responsibility to be to assist men across our denomination with materials and information to assist them in achieving these three goals. Perhaps it's a suggestion for a book for a men's small group, perhaps it is accountability questions, or maybe it is the need for a speaker or guidance on choosing a national men's event to attend. I post articles on a variety of topics of interest to men that regularly appear at [www.amc.nazarene.org](http://www.amc.nazarene.org), the website of Nazarene Adult Ministries. Many have either e-mailed or called me for assistance, and I'll do the best that I can to assist you with having your needs met or your questions answered. Contact me following the addresses shown below.

I am also very pleased to be the contact person for the Nazarene Motorcycle Fellowship, the newest ministry added to Adult Ministries! This ministry is meant to be just another avenue for reaching others for Christ. There are no dues and there are no special patches. It is meant to be a clearinghouse of ideas and ministry strategies for reaching others for Christ using one's enjoyment of motorcycles as "the vehicle"!

Rev. David Middendorf is the "out-front" person for this ministry. (*There was a terrific article about him in the January/February 2008 edition of Holiness Today!*) He and his wife, Sharon, travel to many biker events where he often speaks and sings. David and I work closely with a steering committee which guides this ministry's development and plans special events like *The Rockledge Rumble!*, NMF's inaugural event held during the 27<sup>th</sup> General Assembly.

Both David and I respond to questions, and I also handle the postings of local church and district biker events on [www.nmf.nazarene.org](http://www.nmf.nazarene.org). Just send me an email with a brief description of your local event, including the church name and address and a contact method of getting more event information. Then, I particularly like to post event follow-up information, i.e., "what happened", including if anyone accepted Christ or recommitted their life, etc. Seeing people won to the Kingdom is the goal of this whole endeavor.

If you have any questions or need any information, please feel free to contact me; I'll be glad to help in any way possible! Let's be sure to pray for each other that God will guide our ministries!
