MEET THE DIRECTOR MATT MOORE

Matt Moore just completed his third year as the MVNU men's basketball coach. He previously spent four years as the top assistant coach at Grace College in Winona Lake, Indiana. During his time at MVNU, he has helped transform his players into one of the most efficient teams in the American Midwest Conference. The Cougars ranked in the top four of the AMC in points per game, field goal percentage, free throw percentage, three point percentage, assists, blocked shots and steals.

In addition to coaching at Grace, Moore was an assistant varsity coach at Logansport High School from 2003-06 where he worked under Indiana High School Hall of Fame Coach Al Rhodes, and he served as an assistant coach for the McDonald's All-American Team in 2005. He has also taken his knowledge of the game of basketball overseas, working with players and coaches in France, Germany and Kenya as part of missions trips. Moore brings a wealth of experience to these annual summer shootouts.
