UNIVERSITY INFORMATION

MOUNT VERNON
NAZARENE UNIVERSITY

Life Changing

Founded in 1964 by the Church of the Nazarene, Mount Vernon Nazarene University held its first classes in October of 1968

on the former Lakeholm farm in Mount Vernon, Ohio. The land was purchased by public subscription and donated to the university.

With an enrollment of around 2,600 students, MVNU is the official university of the East Central Educational Region of the Church of the Nazarene. The primary responsibility for sponsorship and support of the university is charged to the Nazarene congregations in Ohio, West Virginia, and the eastern half of Kentucky.

The aspiration of the university is that academic and student life activities be integrated in a Wesleyan holiness tradition to facilitate character, value, and cultural development to improve the quality of life. This is expressed in the motto: "To seek to learn is to seek to serve."

The university offers more than 80 academic programs and a full range of pre-professional programs while granting associate's, bachelor's, and master's degrees. MVNU offers 11 intercollegiate sports (men's and women's soccer, men's and women's cross country, women's volleyball, men's and women's basketball, baseball, softball, and men's and women's golf), and students can take part in an active intramural program.

The Campus

The MVNU campus consists of 400 tree-filled acres on the Lakeholm farm. The gently rolling fields, bordered on the rear by the Kokosing River, constitute a campus of natural beauty. The university buildings are of Williamsburg colonial design blending well with the site and complementing Mount Vernon's reputation as "Ohio's Colonial City."

Four dorms (Pioneer, Oakwood, Galloway, and Redwood) and seven apartment complexes (Maplewood, Elmwood, Rosewood, Cedar, Birch, Spruce, and Cypress) provide quality living quarters for residential students.

Major buildings include: Faculty, Founders, and Regents Halls (three large classroom buildings), the R.R. Hodges Chapel/Fine Arts Complex, the Jetter School of Business, the Hyson Campus Center, the Lakeholm Administration Building, the Physical Education Center, Donoho Recreation Center, and Prince Student Union, the Thorne Library/Learning Resource Center, and the Jennie K. Moore Family and Consumer Science Building.

The university also holds classes in the Buchwald Center and Hunter Hall in downtown Mount Vernon as well.

UNIVERSITY INFORMATION

In addition to the central campus, the university owns a 70-acre tract of woodland just six miles northeast of the city. Currently, this tract is used as a biological field station for MVNU's biology and natural resources programs.

Academic Programs

The university offers over 40 majors with more than 80 different programs from its 21 academic departments. Bachelor's degrees are available in: Nursing, Accounting, Business Administration, Applied Business Technology, Management, Marketing, International Business, Early Childhood Education, Middle Childhood Education, Integrated Language Arts, Integrated Mathematics, Integrated Social Studies, Life Science Education, Physical Science Education, Music Education, Physical Education/Health, Spanish Education, Visual Arts Education, Integrated Business, Family and Consumer Sciences, Exercise Studies, Sports Management, Art, Music, Communication, Broadcasting, Drama, Graphic Design, English, Professional Writing, Spanish, Biology, Chemistry, Pre-Allied Health Programs, Medical Technology, Computer Science, Mathematics, Children's Ministries, Educational Ministries, Youth Ministries, Philosophy, Religion, History, Psychology, Social Work, Criminal Justice, and Sociology. In addition, MVNU offers associate's degrees in: Applied Business Technology, Business Administration, Church Music, Family Life Management, Child Development Administration, Fitness Management, Business Data Processing, and Human Services. For more information, contact the admissions office at 1-866-462-6868.

The President

Dr. Daniel J. Martin assumed duties as the sixth president of Mount Vernon Nazarene University on February 1, 2007. Prior to coming to MVNU, he served as the vice president of University Advancement at Point Loma Nazarene (Calif.) University. He also served in various roles at MidAmerica Nazarene (Kan.) University including two vice president positions and as the executive assistant to the president.

Dr. Martin has two earned doctorate degrees in education from the University of Pennsylvania and the University of Kansas. He also has a juris doctorate and an MBA from the University of Kansas and a license with the Kansas Bar Association.

Dr. Martin resides in Mount Vernon with his wife, Pam, and their two sons, Jake and Josh.

HEAD COACH DANIEL SEIFFERT

Daniel Seiffert is entering his third season as the head coach of the MVNU women's soccer program. Over the past two years, Seiffert has led the Lady Cougars to a 25-14-4 overall record (.628 winning percentage), two trips to the American Midwest Conference Tournament, one National Christian College Athletic Association East Region Tournament title, the program's first AMC Tournament title (2009), a berth in the NCCAA National Tournament (2010), and the program's first-ever trip to the NAIA National Championship Opening Round (2009).

In 2010, Seiffert led MVNU to a 14-8-2 overall record that included a 6-4 mark in the AMC. The Lady Cougars advanced to the AMC Tournament semifinals and then won the NCCAA East Region Tournament to earn a berth into the NCCAA National Tournament in Kissimmee, Fla.

Over the past two seasons, Seiffert has developed four NCCAA All-Americans including one Michelle Akers NCCAA National Player of the Year. In addition, nine players have earned All-Conference honors and nine players have received NCCAA East Region recognition. Eight different players have earned NAIA and NCCAA Scholar-Athlete accolades including a program-record six in 2010 when the team also earned NAIA and National Soccer Coaches Association of America team academic awards as well. In addition, he was named the 2009 NCCAA East Region Coach of the Year.

Prior to coming to MVNU, Seiffert served for two years as the varsity assistant coach as well as the junior varsity head coach at Olentangy Liberty High School. During that span, the varsity team won the Ohio Capital Conference title in 2007 and his junior varsity team went 19-4-3.

A four-year member of the MVNU men's soccer team from 2003-2006, Seiffert played in all 76 matches during his career with 69 starts as the Cougars went 40-28-8. He played primarily on the defensive side of the ball and helped the team post 22 shutouts during his career. He was named to the NCCAA East Region Team and earned All-AMC honors as a senior and then capped off his career by being selected as the NCCAA's Kyle Rote, Jr. National Player of the Year – an honor recognizing playing ability, scholastic achievement, positive leadership qualities, and Christian character. He was also a two-time NAIA and NCCAA Scholar-Athlete with a 3.65 GPA. He graduated from MVNU in 2007 with a bachelor of science degree in integrated mathematics education and a minor in business administration.

Seiffert, who is a native of Lewis Center, Ohio, currently resides in Westerville. In addition to coaching the women's soccer team, he is also the director of intramurals at MVNU. He is currently working on his master's degree in sports science and coaching at Ohio University. He holds his NSCAA Advanced National Coaching license and his NSCAA National Goalkeeping Coaching license, and he is nationally licensed by the USSF.

ASSISTANT COACHES

Rick Seiffert begins his third year on the sideline as an assistant coach with the MVNU women's soccer program. His coaching experience spans 36 years in four sports, including three at the varsity level. He has coached soccer for 26 years at every age group level from youth up through men's and women's soccer at the high school varsity, premier club select, and collegiate levels.

Seiffert, who graduated from the University of Toledo with a bachelor's degree in finance and marketing, played college football for the Rockets.

Seiffert and his wife of 34 years, Paula, reside in Lewis Center, Ohio. The couple has four children – Amy, Bethany, Daniel (who are all alumni of MVNU and played soccer for the Cougars), and Luke, who is currently a junior at MVNU. Seiffert also currently serves as the director of Upward Soccer at Genoa Church and as the coach of Futbolitis, an adult co-ed 3-v-3 team, which has won four world championships. He is licensed through the National Soccer Coaches Association of America and holds college coaching professional certification.

Jenessa Loewen is in her first year as a graduate assistant coach for the Lady Cougars following a standout four-year career at MVNU. Loewen played in 90 matches during her time with the Lady Cougars with 86 starts in goal. She was the AMC Defensive Player of the Week six times as a senior before being named to the AMC First Team. She set school career records for shutouts (37) and goals against average (0.92).

Loewen, who is a native of Gravenhurst, Ontario, is a 2011 graduate of MVNU. She is currently working on her master's degree in special education at MVNU.

SPORTS INFORMATION DIRECTOR

Dave Parsons is entering his 14th year as the sports information director at MVNU and his 19th season working in the Cougars' sports information department. Prior to assuming the role as SID, Parsons served as the assistant SID for five years handling primarily the women's sports – a role that he began during his senior year at MVNU and continued in upon graduation in 1994.

Parsons received the Clarence "Ike" Pearson Award as the NAIA SID of the Year in 2008 and was the MVNU Staff Member of the Year in 2009. He served as the NAIA-SIDA President from 2007-2009.

2011 SEASON OUTLOOK

MOUNT VERNON, Ohio – The Mount Vernon Nazarene University women’s soccer team will look to add a new chapter to the program’s winning tradition as the Lady Cougars prepare to kick off the 2011 season on August 26 against NAIA No. 14 Oklahoma City University at 1 p.m. CST.

Coming off a season in which MVNU posted a 14-8-2 overall record, advanced to the American Midwest Conference Tournament semifinals after going 6-4 in the AMC regular season, and earned a berth in the National Christian College Athletic Association National Tournament after claiming the NCCAA East Region Tournament title, the Lady Cougars will have some new challenges awaiting them in the new campaign.

Head coach Daniel Seiffert enters his third season at his alma mater with a roster full of 21 returning players and eight quality incoming freshmen. The team should have plenty of depth and returning experience when they take the pitch.

“Once again, this year’s team has high expectations for the season,” said Seiffert, who has guided MVNU to a 25-14-4 record the past two years. “Realizing those expectations starts with high levels of fitness and I’ve been quite impressed with the fitness of our players as they have worked through preseason camp. We’ve had a strong camp and the work ethic and competitive intensity with which they battle each other daily should help develop good team depth throughout the season.”

The Lady Cougars’ attack will be led up front by a talented group of forwards that includes seniors Courtney Ricker (5 goals and 1 assist), Amanda Woods (4 goals and 4 assists), Sarah Buehler (3 assists), and Andrea Fisher (1 goal and 1 assist), juniors Jessica Linger (4 goals and 3 assists) and Haley Sparks (1 goal), sophomores Rachel Coyne (1 goal) and Sara Lipstraw, and freshmen Brittney Bogantz and Michelle Dobson.

The MVNU midfield will feature a good mix of experience and young talent. Seniors Challyn Dobson (2 goals and 3 assists), Erin Washington, Ashley Smithberger, and Lindsey Shaffer, juniors Rachel Elder (1 goal and 1 assist) and Libby Kalanquin, sophomore Amy Weaver (4 goals), and freshmen Megan Griffith, Dayna Setzler, and Tiffany Wright will all see playing time.

The back line will be anchored by seniors Kelci Rhodes, Heidi Moeckel, and Challyn Dobson, junior Stacy Culbertson, sophomores Rachel Walters and Jackie Mourne, and freshman Emily Oswald. Last season, the Lady Cougars allowed just 15 total goals and tied the school record with 15 shutouts.

2011 SEASON OUTLOOK

For the first time in four years, there will be someone different in goal for MVNU after the graduation of four-year standout goalkeeper Jenessa Loewen, who is back to help as an assistant coach after posting school records with 37 shutouts and a 0.92 goals against average for her career. Freshmen Eleni Miller and Lexus Andolino and sophomore Lindsey Blue are each competing for playing time between the posts as the season gets under way.

The Lady Cougars are facing arguably their toughest schedule ever with three opponents ranked in the NAIA preseason poll, one other receiving votes, and a ranked and a receiving votes team playing each other for the right to play MVNU in the Lady Cougar Classic. After the season opener versus Oklahoma City, MVNU will square off at John Brown (Ark.) University, who is receiving votes. Following a trip to the University of the Columbians (Ky.), the Lady Cougars will host Trevecca Nazarene (Tenn.) University, NAIA No. 17 Olivet Nazarene (Ill.) University, and Southern Nazarene (Okla.) University, who received votes in the NAIA preseason poll, in a four-team Nazarene tournament. Malone University, Urbana University, and Cedarville University will round out the non-conference portion of the schedule.

MVNU will begin a new conference affiliation in 2011 as the Lady Cougars will switch from the AMC to the Mid-Central College Conference. NAIA No. 8 Indiana Wesleyan University and NAIA No. 19 Spring Arbor (Mich.) University are the preseason favorites with MVNU also receiving votes in the NAIA poll. The Lady Cougars will also face Grace (Ind.) College, Taylor (Ind.) University, Marian (Ind.) University, the University of Saint Francis (Ind.), Huntington (Ind.) University, Bethel (Ind.) College, and Goshen (Ind.) College in the round robin format with the top eight teams making the MCC Tournament with a berth in the NAIA National Championship Opening Round on the line.

“We are very excited to now be part of the MCC,” said Seiffert. “The MCC has an excellent reputation as one of the strongest conferences in the nation, especially in women’s soccer. The conference is very competitive throughout and all the teams are well-coached. Our mettle will definitely be tested in both our conference and non-conference matches, which together will comprise one of the toughest schedules we’ve had in program history.”

“Most importantly, we always strive to honor God with our very best,” Seiffert added. “We will continue to work hard throughout the season to improve and get better each and every day with the goal of competing for championships come November and December.”

2010 SEASON RECAP

MOUNT VERNON, Ohio – The Mount Vernon Nazarene University women's soccer team put together another successful season in 2010 as the Lady Cougars finished with a 14-8-2 overall record and a 6-4 conference mark and just as many significant achievements off the field.

The season began with a trip to Canada for a pair of exhibition matches against Wilfred Laurier (Ont.) University and York (Ont.) University, a pair of schools ranked in the Canadian Top 10. This helped prepare the Lady Cougars for the competition that awaited them in the regular season.

MVNU rattled off a pair of shutouts before dropping a 2-1 decision to NAIA No. 24 John Brown (Ark.) University. The team bounced back to post five shutout victories in its next six matches with the only loss coming 1-0 in American Midwest Conference play to Notre Dame College.

After a pair of shutout losses at Houghton (N.Y.) College and Roberts Wesleyan (N.Y.) College respectively, the Lady Cougars went 5-1 to close the regular season with five shutouts with the only loss coming 1-0 in double overtime to Cedarville University.

MVNU got revenge over Cedarville in the opening round of the AMC Tournament as the Lady Cougars advanced in a dramatic shootout before falling in the semifinals to regular-season champion Roberts Wesleyan 1-0.

Then, MVNU switched its focus to the National Christian College Athletic Association East Region Tournament where the team defeated Malone University and then Roberts Wesleyan to capture the NCCAA East Region title and earn a trip to the NCCAA National Tournament in Kissimmee, Fla.

The Lady Cougars suffered a tough 4-3 overtime loss to Corban (Ore.) University in the opening round of the NCCAA National Tournament and then fell 2-0 to King (Tenn.) College in the consolation bracket. MVNU closed out the season with a 0-0 draw with Roberts Wesleyan in the fourth meeting of the year between the two teams.

"I couldn't be more proud of our players as they performed in top fashion on the field, in the classroom, and in our community," said MVNU coach Daniel Seiffert as he wrapped up his second season guiding the team. "They had another terrific year and it all started with each one of them coming into our fall camp ready to hit the ground running. Our pre-season trip to Canada was a great experience for the whole team. While we had a lot of fun, our mettle was also toughened as we played two top teams including one that went on to finish second in the nation."

"Our players continued to exhibit the ability to overcome adversity throughout the season," Seiffert continued. "While winning 14 matches and tying the school record with 15 shutouts through a tough conference and non-conference schedule, they showed great resolve. Advancing in the AMC Tournament to the Final Four and winning the NCCAA East Region Tournament against two teams that had beaten us earlier was a testament to their pure grit and determination. The team also put forth a strong overall effort at the NCCAA National Tournament in Florida."

2010 SEASON RECAP

There were many individual achievements for the Lady Cougars in 2010 and the four seniors on the squad led the way. Forward Jessica Estep wrapped up her outstanding career by leading the team with 13 goals and seven assists as she finished third in school history with 65 career goals and 150 career points and fifth with 20 career assists. Goalkeeper Jenessa Loewen tied the school record with 14 shutouts in the season and set new school records with 37 career shutouts and a 0.92 goals against average. Defender Denèe Stentz and forward Jamie Blair were also key contributors as Stentz helped anchor the record-tying back line and Blair had two goals and two assists on the attack.

"We're thankful for another season in which we were blessed in so many ways," said Seiffert. "Our senior leadership from Jessica, Jenessa, Denèe, and Jamie was terrific. I'm looking forward to all God has planned for them as well as each player on our team as we all seek to honor Him in all we do."

Junior forwards Amanda Woods (4 goals, 4 assists) and Courtney Ricker (5 goals, 1 assist), sophomore forward Jessica Linger (4 goals, 3 assists), and freshman forward Amy Weaver (4 goals) each contributed to the attack along with junior Andrea Fisher (1 goal, 1 assist), and freshman Sara Lipstraw. Meanwhile, junior Challyn Dobson (2 goals, 3 assists) and sophomore Rachel Elder (1 goal, 1 assist) helped control the midfield along with freshman Rachel Coyne (1 goal) and juniors Ashley Smithberger and Sarah Buehler (3 assists). Junior defenders Kelci Rhodes and Heidi Moeckel also did their part to help anchor the defense along with freshmen Rachel Walters and Jackie Mourné, junior Lindsay Shaffer, and sophomore Stacy Culbertson.

Not only did the team perform well on the field, the Lady Cougars were also busy achieving success in the classroom. A program-best six players were named to the NAIA and NCCAA Scholar-Athlete Teams and the team was also honored with Academic Team Awards by the NCCAA and NSCAA. MVNU was also active in community service as they raised over \$2,000 in donations for children in need in Mount Vernon and for cancer victims through their efforts in the "Bigger and Better" campaign and their "Kick Cancer" game.

"We are all so thankful for all of the terrific support that we have received from our parents, families, faculty, administration, and the MVNU community," said Seiffert. "Having this support means so much to our team and we are very appreciative."

MVNU'S AFFILIATIONS

The Mid-Central College Conference, which was founded in 1959, is one of the oldest conferences in the National Association of Intercollegiate Athletics (NAIA). The MCC currently consists of 10 institutions located in Indiana, Michigan, Ohio: Bethel (Ind.) College, Goshen (Ind.) College, Grace (Ind.) College, Huntington (Ind.) University, Indiana Wesleyan University, Marian (Ind.) University, Mount Vernon Nazarene (Ohio) University, the University of Saint Francis (Ind.), Spring Arbor (Mich.) University, and Taylor (Ind.) University.

The purpose of the MCC is to promote intercollegiate athletics in a well-rounded athletic program, maintain high ideals, and to promote sportsmanship. The conference sponsors championships in 14 sports (seven for men and seven for women). MCC student athletes and teams also make their mark on the NAIA national level by virtue of national championships, All-Americans, Scholar-Athletes, national rankings, and statistical leaders.

For complete information on the MCC as well as up-to-date standings, statistics, and stories for each sport, visit the conference website at:

www.mid-centralconf.org/

NATIONAL ASSOCIATION OF
INTERCOLLEGIATE ATHLETICS

Throughout its history, the National Association of Intercollegiate Athletics has provided strong leadership for all aspects of intercollegiate sports. Since its introduction of intercollegiate basketball in 1937, the NAIA has maintained the highest standards while administering first-rate athletics programs. Time and time again, the NAIA has stepped forward to address the important issues of the day – be it racial integration in the '40s and '50s or establishing the first women's championship program in 1980. The NAIA has not been afraid to enact changes while others have watched and waited.

MVNU'S AFFILIATIONS

With its major emphasis on educational development, it was natural for the NAIA to further strengthen academic eligibility requirements in the mid-1980s. All NAIA participating student-athletes must maintain a certain grade point average while accumulating credit hours for a declared academic degree. Unlike other associations, NAIA student-athlete academic eligibility is monitored on a semester-by-semester basis. The Scholar-Athlete program, a longstanding NAIA tradition, recognizes junior and senior student-athletes with a minimum 3.5 grade point average on a 4.0 scale.

Since 1937, the NAIA has administered athletics programs and championships in proper balance with the overall collegiate educational experience. Serving higher education in this manner is a responsibility the NAIA does not take lightly. It is a relationship built on confidence and trust – a relationship strengthened year after year.

The National Christian College Athletic Association is a miracle organization. Over the years, an idea has become a reality providing Christian student-athletes in Christian colleges and universities both an opportunity for fellowship and competition on a national level. The NCCAA game plan is to produce true winners – a game plan that will carry an individual through his or her entire life. The game plan is devised to draw out the student-athlete's greatest potential in body, mind, and spirit.

Since its first tournament in 1968, the NCCAA has grown to encompass more than 100 Christian colleges and universities nationwide, both liberal arts and Bible colleges in stature. The participating schools are dedicated not only to the best athletic competition possible, but also to exemplifying Jesus Christ in everything. The NCCAA is an organization bringing Christian colleges and universities together not just for athletic competition. More importantly, it is an organization bringing schools together which have common goals in Christian higher education.

SOCCER FACILITIES

The MVNU women's and men's soccer teams play all of their home matches on Cougar Field, which is adjacent to the MVNU baseball field on the campus. The 120 x 75 yard natural grass field is complete with an underground sprinkler system that has helped to make the field one of the nicest playing surfaces in the state. There is also a press box and an electronic scoreboard at the field.

The bleachers seat approximately 200 spectators with plenty of additional area to bring lawn chairs and blankets. The MVNU student body is recognized for the spirited support they exhibit in favor of the Cougars. This has resulted in numerous matches with standing room only space left on the sidelines.

In addition to Cougar Field, the team also practices on an adjacent practice field that is shared with the men's soccer team. The team also uses the Physical Education Center for indoor soccer practices during the winter months. The Physical Education Center features a hardwood floor that is used primarily for the MVNU women's volleyball and men's and women's basketball teams.

MEDIA INFORMATION

Visiting media members are encouraged to attend any and all MVNU home soccer matches. Statistics and match notes are available prior to any match upon request. Phone lines are available on a first-come first-served basis, and post-match faxing can also be done on request. In addition, all Cougar soccer information can be accessed by visiting the team's website (www.mvnu.edu/sports/nazwsc/). Match recaps are also available by calling the Cougar Hotline at (740) 392-6868, extension 1601.

MVNU players and coaches are available for personal or telephone interviews by contacting Dave Parsons, MVNU's Sports Information Director, at (740) 392-6868, extension 3112 during office hours or at (740) 392-6050 in the evening or on weekends. Players will generally be available for a brief period on the day of the match prior to warm-ups and then after the match, while Coach Daniel Seiffert will be available after every match. Practices are open to the media, and players can be made available before and after practice.

Requests for photographs, radio broadcasts, or any additional information pertaining to Lady Cougar soccer should be directed to Dave Parsons in the Sports Information office.
