WHAT OUR GRADS ARE SAYING:

“The Marine Corps gave me the discipline I needed to be a good student, but MVNU showed me how to take that discipline and excel at my academics. Along with gaining knowledge in my area of study, my understanding of and relationship with God began to expand. I am very proud to tell people that I attend MVNU.”

Travis Fugate
Demand Planner, Defense Logistics Agency
“The professors bring spiritual maturity, vast content knowledge and personal experiences into our classes. I’ve gained insight on situations long before they occur in my classroom. I whole-heartedly encourage anyone seeking a master’s degree as an educator to consider MVNU’s outstanding program.”
