

POSITION ANNOUNCEMENT Electrical Engineering Faculty Position

Mount Vernon Nazarene University exists to shape lives through educating the whole person and cultivating Christ-likeness for lifelong learning and service.

Mount Vernon Nazarene University (MVNU) is an intentionally Christian teaching university for traditional age students, graduate students, and working adults who seek opportunities to learn and grow in an academic community of faith. The University provides the context for a transformational experience through excellent academics, service opportunities, caring relationships, and a nurturing spiritual and social environment. Faculty, staff, and students are challenged to achieve their highest potential, to become increasingly Christ-like, and to make a difference in their world through lifelong service.

Mount Vernon Nazarene University is seeking a full-time (nine-month) **Electrical Engineering Faculty Member**, beginning in the Fall semester of 2019. Rank is Instructor or Assistant Professor. Compensation is to be competitive among the Council for Christian Colleges and Universities.

Responsibilities and expectations for this position include:

- Teaching a broad range of undergraduate engineering courses required for the Bachelor of Science degree in Engineering program.
- Advising of students majoring in Engineering and ensuring that their academic progress meets requirements set by the institution, working with students to encourage professional development, and working with upper level students on their senior capstone design projects.
- Supporting departmental efforts for continued improvement of programs.
- Serving the University through committee participation and other assigned tasks.

Qualifications for the successful candidate:

- A Master's degree in Electrical Engineering is required.
- Twenty-four (24) months in job or job related experience to include teaching a broad range of undergraduate engineering courses required for the Bachelor of Science in Engineering degree program. Suitable combination of education, training and experience is acceptable. Experience may have been gained before, during or after degree.

Application procedure:

Interested applicants should send a resume via email as Microsoft Word or .pdf file attachments to Katie.Sherman@mvnu.edu, Mount Vernon Nazarene University, 800 Martinsburg Rd, Mount Vernon, OH 43050. Must ref job code ENGR2.
