Program Assistant

St. Vincent de Paul School

Extended Care Program

This program assistant position is a part time minimum wage position for work study students. Our Extended Care team cares for preschool through eighth grade children after school Monday through Friday from 2:15pm to 6:00pm. The program assistant would help children with homework, assist with art and science activities, lead games and more. We need someone for two afternoons a week, about 6 hours per week available from 2:15pm-5:15pm. The days can usually be flexible semester to semester. This is wonderful hands-on opportunity for someone considering a career with children.

Learning through Christ, the Saint Vincent de Paul School Family strives to excel in knowledge, service, leadership, and faith in a Roman Catholic Tradition.
