

Child Photo / Video Release

The undersigned as the parent/guardian of _____, herein consents and grants permission for _____ (child), to be photographed or video recorded while participating in activities at the Esther Jetter Preschool.

I consent to the use of these photographs and videos in published material in print, on the preschool website, and other social media locations such as the class private parent Facebook group. I understand that my child's name will not be used in any publication or posting unless further consent is granted.

I understand and consent to the child's image in print, video, or other means being used in promotion, advertising, and documentation of the Preschool.

I understand that any group picture or recording with four or more students may be posted or published without parental consent.

If I desire to withdraw this consent, I will do so in writing.
